Montessori-Guide in the Adolescent Community

In our adolescent community students of age 12 to 16 work and study together. They are guided by a diverse team of Montessori guides. From Summer 2023 on we want to expand our team.

We are offering a job for a Montessori AMI-trained teacher for the age-group 12 to 18. We are also searching for a teacher for physical expression (with a state examination or a completed vocational training in this field).

The aims of our daily work are:

- Pedagogy before administration
- Team work before lone fighter
- A healthy working environment
- A friendly and respectful working atmosphere

Therefore we offer a secure place in these turbulent times. We offer a Montessori approach based on the standards set by AMI (Association Montessori International), supervision and coaching and a flat hierarchy.

Further information about our school and concept you will find at www.montessori-mkk.de
